

Mary - By Ava

Mary was a devoted Catholic who helped people in need. Mary always had an open heart and believed and trusted in God.

Mary the mother of Jesus Christ, feast day falls on May 21st her birth is unknown but for one she was born before Christ BC and died about 11 years later, after her son Jesus died on the cross. As we know Mary was a mother full of grace and worship, She has a special prayer that is called the Hail Mary , to me it means be Happy you are full of grace, You are with God, be glad you are blessed.

I, like Mary when I am older want to make a change.
I want to cure Cancer. Curing Cancer has been one of my biggest dreams for a while.
People everyday are dying of this horrible disease. Someone's gotta cure this. Hopefully that someone will be me.

I choose Mary because I was inspired by her actions.
I thought Mary would be a good saint to guide me through my life .
