

## *St Therese of Lisieux*

*By Julia*

*2 of Jan 1873 - 30 Sep 1897*

St Therese was born in Alencon France where she was raised by her two parents and seven siblings.

Her saint day is the first of October

She is the Patron saint of missions and florists.

I chose St Therese after my mum because they both are loving and caring.

People call her the Little Flower of Jesus because she looked up to him and lived her life following his ways.

She has said some inspiring things throughout her life such as "God doesn't need years to accomplish his work of love in a soul."

Even though St Therese had a short life due to Tuberculosis she made the most of it with her family and God.

## **Miraculous Invocation to St. Therese**

O Glorious St. Therese,

whom Almighty God has raised up to aid

and inspire the human family,

I implore your Miraculous Intercession.

You are so powerful in obtaining every need

of body and spirit from the Heart of God.

Holy Mother Church proclaims you "Prodigy of Miracles..."

the greatest saint of Modern Times."

Now I fervently beseech you to answer my petition

(mention in silence here)

and to carry out your promises of  
sending heaven doing good on earth...  
of letting fall from Heaven a Shower of Roses.

Little Flower, give me your childlike faith,

to see the Face of God

in the people and experiences of my life,

and to love God with full confidence.

St. Therese, my Carmelite Sister,

I will fulfill your plea "to be made known everywhere"

and I will continue to lead others to Jesus through you.

Amen.
